

**UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF MASSACHUSETTS
(Eastern Division)**

In re:

JASON M. KAHAN,

Debtor.

Chapter 7

Case No. 24-11592 (JEB)

STATEMENT OF ISSUES AND DESIGNATION OF RECORD ON APPEAL

Appellants hereby submit their Statement of Issues on appeal and designate the items from the Bankruptcy Court docket as set forth below for inclusion in the record on appeal pursuant to Fed. R. Bankr. P. 8009.

Appellants submit their Statement of Issues on appeal as follows:

STATEMENT OF ISSUES

- 1) Whether the Bankruptcy Court abused its discretion and violated due process by reconsidering its order dated July 2, 2026, expanding an evidentiary hearing limited to the “good faith” status of Samara and PBTC into an evidentiary hearing on the Trustee’s business judgment and qualification of Samara’s bids without meaningful notice, depriving Samara of a fair opportunity to present evidence supporting the Trustee’s selection of Samara as the highest and best offer, its ability to consummate the sale and its validity as a qualified bidder.
- 2) Whether the Bankruptcy Court committed clear and reversible error in finding that PBTC Recovery Partners, LLC was a “good-faith purchaser” entitled to statutory protections under 11 U.S.C. § 363(m) and whether those findings are contradicted by sworn testimony and an evidentiary record regarding revealing undisclosed interested parties.

- 3) Whether the Bankruptcy Court committed legal error in overruling the Debtor's objection to the Sale Motion based upon the Stalking Horse Bidder/PBTC's conflict of interest and use of insider information obtained from the Debtor by Howard Jahre.
- 4) Whether the Bankruptcy Court abused its discretion and committed clear and reversible error in reconsidering and vacating its July 2, 2026 order upon oral motion and without due process.
